SLLS Society for Longitudinal and Life Course Studies

2021 International Online Conference

Identity and Transformation: Studying Lives in Times of Social Change

20 - 22 September 2021
with post-conference workshops on
30th September and 1st October

PROGRAMME

www.sllsconference.com

#SLLS2021

DAY 1 Monday 20th September 2021 (Timings = London, BST)

09:00 – 09:15 **CONFERENCE WELCOME**
Dario Spini, President – SLLS

09:15 – 10:15 **KEYNOTE PRESENTATION**
The consequences of labour market insecurities for well-being and health of young people
Presenter: Marge Unt, Tallinn University, Estonia

1A SYMPOSIUM

10:45 – 12:15 **Educational contexts and refugee students: Longitudinal studies in Germany and Canada**
Convenor & Chair: Ben Edwards, Australian National University, Australia

Thriving, catching up, falling behind: Immigrant and refugee children's kindergarten competencies and long-term academic achievement
Presenter: Monique Gagné, University of British Columbia, Canada
Co-authors: Martin Guhn, Magdalena Janus, Anne Gadermann, University of British Columbia, Canada

Educational selectivity and language acquisition: Are children from relatively better educated households learning German faster?
Presenter: Jörg Welker, Leibniz Institute for Educational Trajectories, Germany

Selective participation of refugees in the Refugees in the German Education System
Presenter: Florian Heinritz, Leibniz-Institute for Educational Trajectories, Germany

1B SYMPOSIUM

10:45 – 12:15 **School allocation and labor market outcomes of supplementary education over the life course: New ways to maintain inequalities?**
Convenor & Chair: Steve R. Entrich, University of Potsdam, Germany

The effects of supplementary education for tracking allocation in Germany and Japan
Presenter: Hiroki Nakanishi, Rikkyo University, Japan
Co-authors: Steve R. Entrich, University of Potsdam, Germany; Hiroaki Mimizuka, Ochanomizu University, Japan

Supplementary education at college and its consequences for individuals' labor market outcomes in the United States
Presenter: Steve R. Entrich, University of Potsdam, Germany
Co-author: Soo-yong Byun, The Pennsylvania State University, USA

Transnational educational investment in Germany: Who goes abroad and what are the consequences?
Presenter: Wolfgang Lauterbach, University of Potsdam, Germany

College and career preparation in higher education in India: Does social background matter?
Presenter: Nidhi S Sabharwal, National Institute of Educational Planning and Administration, India

1C SYMPOSIUM

10:45 – 12:15 **Shared parenting and family outcomes: New evidence from Germany and Switzerland**
Convenor & Chair: Christina Boll, German Youth Institute (DJI), Germany

Changes in legal regulations, parental health and well-being, and children's physical custody arrangements among post-separation families in Switzerland
Presenter: Laura Bernardi, University of Lausanne, Switzerland
Co-author: Claudia Recksiedler, German Youth Institute, Germany

How causal is separation? Lessons learnt from endogenous switching models for Germany
Presenter: Antonia Birkeneder, German Youth Institute, Germany
Co-author: Christina Boll, German Youth Institute

Shared parenting and parental well-being in Germany
Presenter: Michaela Kreyenfeld, Hertie School of Governance, Germany
Co-authors: Heike Trappe, Katja Köppen, University of Rostock, Germany

Post-separation physical custody arrangements in Germany: Examining sociodemographic correlates, parental coparenting, and child adjustment
Presenter: Alexandra Langmeyer, German Youth Institute, Germany
Co-authors: Claudia Recksiedler, Christine Entleitner-Phleps, German Youth Institute, Germany

Shared parenting, poverty risks and mothers' economic independence
Presenter: Simone Schüller, German Youth Institute, Germany
Co-author: Christina Boll, German Youth Institute

Discussant: Michaela Kreyenfeld, Hertie School of Governance, Germany

1D SYMPOSIUM

10:45 – 12:15 **Young people's economic activity and health during the COVID crisis: Evidence from four countries**
Convenors & Chairs: Ingrid Schoon, Golo Henseke, University College London, UK

Social differences in mental health of Canadian young adults versus older adults during Covid-19
Presenter: G. Descary, University of Montreal, Canada
Co-authors: Eliane Thouin, I. Olivier, Veronique Dupéré, Rubab Arim, Dupéré Véronique, University of Montreal, Canada

The direct and indirect pandemic effects on young people's subjective well-being in Britain
Presenter: Golo Henseke, UCL Institute of Education, UK
Co-authors: Francis Green, Ingrid Schoon, University College London, Institute of Education

The COVID-19 pandemic a new sorting mechanism for the school-to-work transition period? Findings from Germany
Presenter: Hans Dietrich, IAB, Germany
Co-author: Alexander Patzina, IAB, Germany

A labour market crisis for young adults? Ireland during the pandemic
Presenter: Aisling Murray, Economic and Social Research Institute, Ireland
Co-author: Emer Smyth, Economic and Social Research Institute, Ireland

1E SYMPOSIUM

10:45 – 12:15 **A cross-national comparison of socioeconomic inequalities in early childhood**
Convenor & Chair: Liz Washbrook, University of Bristol, UK

Macrostructural conditions and socioeconomic inequalities in achievement test scores
Presenter: Melanie Olczyk, University of Leipzig, Germany
Co-authors: Thorsten Schneider, University of Leipzig, Germany; Liz Washbrook, University of Bristol, UK

Inequalities in early childhood resources and experiences by parental education: Evidence from six countries
Presenter: Jane Waldfogel, Columbia University, USA
Co-authors: Liz Washbrook, University of Bristol, UK; Sarah Kwon, Yi Wang, University of Columbia, USA; Sabine Weinert, Anna Volodina, University of Bamberg, Germany; Lidia Panico, Anne Solaz, Cesarine Boinet, INED, France; Renske Keizer, Sanneke de la Rie, Erasmus University Rotterdam, Netherlands; Kayo Nozaki, Kochi University, Japan; Jun Yamashita, Hideo Akabayashi, Keio University, Japan

Parental education gradients in child's behaviour outcomes in early childhood
Presenter: Anna Volodina, University of Bamberg, Germany
Co-authors: Sabine Weinert, University of Bamberg, Germany; Liz Washbrook, University of Bristol, UK; Jane Waldfogel, Sarah Kwon, Yi Wang, Columbia University, USA

International differences in gradients in overweight: What is the role of childcare attendance?
Presenter: Lidia Panico, INED, France
Co-authors: Anne Solaz, Cesarine Boinet, INED, France; Renske Keizer, Sanneke de la Rie, Erasmus University Rotterdam, Netherlands; Hideo Akabayashi, Keio University, Japan; Yuriko Kameyama, Waseda University, Japan; Kayo Nozaki, Kochi University, Japan; Elizabeth Washbrook, University of Bristol, UK; Jane Waldfogel, Columbia University, USA; Sarah Kwon, Yi Wang, Columbia University, USA; Sabine Weinert, Anna Volodina, University of Bamberg, Germany

Discussant: Heather Joshi, UCL Institute of Education, UK

2A INDIVIDUAL PAPERS

13:30 – 14:45 **Are school leavers' post-school destinations associated with their school attendance during secondary education? Evidence from the Scottish Longitudinal Study**
Presenter: Markus Klein, Strathclyde University, UK
Co-authors: Edward Sosu, University of Strathclyde, UK; Shadrach Dare, University of Glasgow, UK

A multilevel longitudinal analysis of student mobility during secondary schooling in England
Presenter: Lucy Prior, University of Bristol, UK

Cohort heterogeneity in the educational costs of adolescent childbearing
Presenter: Shawn Bauldry, Purdue University, USA
Co-authors: Joseph D. Wolfe, Mieke Beth Thomeer, University of Alabama-Birmingham, USA

Uncertain adolescent educational expectations in the wake of the Great Recession: Beneficial or harmful for college matriculation?
Presenter: Brittany Freelin, Pennsylvania State University, USA
Co-author: Jeremy Staff, The Pennsylvania State University, USA

2B INDIVIDUAL PAPERS

13:30 – 14:45 **The relevance of students' skill level for vocational training success**
Presenter: Anika Bela, Leibniz Institute for Educational Trajectories, Germany
Co-author: Daniel Bela, Leibniz Institute for Educational Trajectories, Germany

Alleviating intergenerational transmission of welfare receipt? Allocation of young adults to activation measures and subsequent employment effects
Presenter: Markus Wolf, Institute for Employment Research (IAB), Germany
Co-authors: Veronika J. Knize, Cordula Zabel, Institute for Employment Research (IAB), Germany

Clustering of adverse experiences in childhood and adolescence and associations with young adults' labour market participation
Presenter: Tjeerd de Vries, University Medical Center Groningen, Netherlands
Co-authors: Iris Arends, Ute Bültmann, University of Groningen, Netherlands

Work-family balance at the beginning of a career: Evolutions between two cohorts of young adults
Presenter: Delphine Remillon, INED, France
Co-author: Ariane Pailhé, INED, France

2C INDIVIDUAL PAPERS

13:30 – 14:45 **Parenthood and civic engagement**
Presenter: Esther Muddiman, Cardiff University, UK
Co-authors: Chris Taylor, Sally Power, WISERD, Cardiff University, UK

The impact of transitions in marital and parental status on informal volunteering: A longitudinal analysis
Presenter: Marlou Ramaekers, Radboud University, Netherlands
Co-authors: Ellen Verbakel, Gerbert Kraaykamp, Radboud University Nijmegen, Netherlands; Tanja van der Lippe, Utrecht University, Netherlands

Family histories as nets to capture macro and micro life course processes: The cases of social mobility and family secrets
Presenter: Magda Nico, ISCTE-IUL, Portugal
Co-authors: Maria Silva, Ana Caetano, Diana Carvalho, Nuno de Almeida Alves, ISCTE-IUL, CIES-IUL, Portugal

Solo living as part of the process of transition to adulthood: Comparative analysis using ESS data
Presenter: Jana Klímová Chaloupková, Czech Academy of Sciences, Czech Republic

2D INDIVIDUAL PAPERS

13:30 – 14:45 **Latent transition analysis of subjective well-being profiles: The longitudinal impact of a physical chronic health condition onset**
Presenter: Caroline Debnar, Swiss Paraplegic Research, Switzerland
Co-authors: Valerie Carrard, Claudio Peter, Swiss Paraplegic Research, Switzerland; Davide Morselli, University of Lausanne, Switzerland; Gisela Michel, University of Lucerne, Switzerland; Nicole Bachmann, University of Applied Sciences and Arts Northwestern Switzerland

Five-year survival following spinal cord injury: Evidence from a population-based cohort study in Switzerland
Presenter: Anne Buzzell, Swiss Paraplegic Research, Switzerland
Co-author: Martin Brinkhof, University of Lucerne, Switzerland

Developing a new cohort of children born to women who used opioids in pregnancy using administrative data: Exploring the impact of a modern epidemic
Presenter: Louise Marryat, University of Edinburgh, UK

Birth order and timing of substance abuse hospitalization: Longitudinal analyses in the Swedish context
Presenter: Lauren Bishop, Stockholm University, Sweden

2E INDIVIDUAL PAPERS

13:30 – 14:45

Intimate partner violence and female labour force participation
Presenter: Cigdem Gedikli, Swansea University, UK
Co-authors: Gurleen Popli, University of Sheffield, UK; Okan Yilmaz, Swansea University, UK

Youth unemployment and allostatic load across working life: Modification by gender in the UK
Presenter: Liam Wright, University College London, UK
Co-authors: Jenny Head, Stephen Jivraj, University College London, UK

The development of gendered occupational aspirations in the Republic of Ireland
Presenter: Delma Byrne, Maynooth University, Ireland

The gender wage gap among young adults in Britain
Presenter: Francesca Foliano, University College London, UK
Co-authors: Alexander Bryson, Heather Joshi, Bozena Wielgoszewska, David Wilkinson, University College London, UK

3A INDIVIDUAL PAPERS

15:15 – 16:30

Early childhood education and/or care? Social disparities in the expected benefits of early educational choice
Presenter: Gwendolin Blossfeld, University of Bamberg, Germany

Educational trajectories and early child development
Presenter: Maira Colacce, Institute of Economics, Uruguay
Co-authors: Rodrigo Ceni, Gonzalo Salas, Institute of Economics, Uruguay

Children's experiences of change in teacher violence across the first two years of primary schooling in Sierra Leone: Associated impacts on their wellbeing development
Presenter: Jennifer Symonds, University College Dublin, Ireland
Co-authors: Giulio D'Urso, Seaneen Sloan, Daniel Capistrano, Dympna Devine, Ciaran Sugrue, Elena Samonova, Aimee Smith, University College Dublin, Ireland; Amy Folan, Concern Worldwide, Ireland

Typologies of early years' childcare use and their association with socio-economic factors and mental health: Findings from Growing Up in Scotland
Presenter: Elaine Robertson, University of Glasgow, UK
Co-authors: Alastair Leyland, Anna Pearce, University of Glasgow, UK

3B INDIVIDUAL PAPERS

15:15 – 16:30

Extending the scope of the life destandardization thesis: Lifetime employment and residential trajectories in Chile
Presenter: Ignacio Madero-Cabib, Pontificia Catholic University of Chile, Chile
Co-author: Tania Cabello-Hutt, University of North Carolina at Chapel Hill, USA

Fixed-term employment and housing outcomes in Germany: Investigating cumulative disadvantages
Presenter: Sophia Fauser, University of Bamberg, Germany
Co-author: Sonja Scheuring, University of Bamberg, Germany

Escaping uncertainty at all cost? Downward mobility upon transition to permanent employment in Germany and Poland
Presenter: Katarzyna Kopycka, University of Warsaw, Poland

The dynamics of employment precarity in a comparative perspective: Labour market trajectories and their determinants in Poland and the UK
Presenter: Remigiusz Żulicki, Polish Academy of Sciences, Poland
Co-author: Anna Kiersztyn, University of Warsaw, Poland

3C INDIVIDUAL PAPERS

15:15 – 16:30

Attitudes towards family dissolution over the life-course: How do family transitions contribute?
Presenter: Martin Kreidl, Masaryk University, Czech Republic
Co-author: Zuzana Žilinčíková, Masaryk University, Czech Republic

What happens after the departure of first leaver? Cross-sibling effects on parental home leaving in the United Kingdom
Presenter: Yu-Chin Her, University of Antwerp, Belgium
Co-authors: Jorik Vergauwen, Dimitri Mortelmans, University of Antwerp, Belgium

Is parental separation by age ten associated with offspring hypertension at midlife, and what are the potential mediating pathways in childhood? Findings from the 1970 British Birth Cohort Study (BCS70)
Presenter: Sebastian Stannard, University of Southampton, UK
Co-authors: Ann Berrington, Nisreen Alwan, University of Southampton, UK

Adult outcomes after being cared for in institutional or family settings: The Office for National Statistics Longitudinal Study
Presenter: Amanda Sacker, University College London, UK
Co-authors: Emily Murray, Rebecca Lacey, University College London, UK; Barbara Maughan, Kings College London, UK

3D INDIVIDUAL PAPERS

15:15 – 16:30

The concurrent development of depressive symptoms, alcohol and tobacco use from adolescence to midlife
Presenter: Noora Berg, Finnish Institute for Health and Welfare, Finland
Co-authors: Olli Kiviruusu, Mauri Marttunen, Finnish Institute for Health and Welfare, Finland

Sexual violence and mental health in adolescence
Presenter: Francesca Bentivegna, University College London, UK
Co-author: Praveetha Patalay, University College London, UK

Educational level and alcohol use in adolescence and early adulthood: The role of social causation and health-related selection – The TRAILS Study
Presenter: Heiko Schmengler, Utrecht University, Netherlands
Co-authors: Margot Peeters, Wilma A. M. Vollebergh, Utrecht University, Netherlands; Anton E. Kunst, University of Amsterdam, Netherlands; Albertine J. Oldehinkel, University of Groningen, Netherlands

Exclusion from school and adolescent mental health: Evidence from the Millennium Cohort Study
Presenter: Aase Villadsen, University College London, UK

3E INDIVIDUAL PAPERS

15:15 – 16:30

Health inequalities at birth in a Hungarian birth cohort: Socio-economic differences of low birth weight infants
Presenter: Julianna Boros, Hungarian Demographic Research Institute, Hungary
Co-author: Laura Szabó, Hungarian Demographic Research Institute, Hungary

The effect of the Great Recession on socioeconomic inequalities in childhood obesity: Findings from Growing Up in Ireland
Presenter: Eoin Mcnamara, Economic and Social Research Institute, Ireland

Intersecting effects of gender, ethnicity and class on children's aspirations during middle childhood and early adolescence: Do multiple disadvantages and privileges exist?
Presenter: Jeongeun Park, University of Bristol, UK
Co-authors: Jo Rose, Shelley Mckeown-Jones, Liz Washbrook, University of Bristol, UK

Does time heal all wounds? Childhood adversity and inequality in mortality over the life course
Presenter: Josephine Jackisch, Stockholm University, Sweden

4A INDIVIDUAL PAPERS

17:00 – 18:15

The intergenerational transmission of educational attainment: A focus on the (interrelated) roles of father involvement and genetic inheritance
Presenter: Renske Verweij, Erasmus School of Social and Behavioural Sciences, Netherlands
Co-author: Renske Keizer, Erasmus University Rotterdam, Netherlands

What drives children's educational achievement? How environmental resources and stressors affect the development of genetic potentials
Presenter: Martin Diewald, University of Bielefeld, Germany
Co-authors: Volker Lang, Bastian Mönkediek, Lena Weigel, Bielefeld University, Germany

Gender-specific dropout from German higher education: Which role do significant others play?
Presenter: Magdalena Pratter, University of Bamberg, Germany
Co-author: Loreen Beier, University of Bamberg, Germany

School-related adversities and development of self-esteem from adolescence to mid-adulthood: A 36-year follow-up
Presenter: Olli Kiviruusu, Finnish Institute for Health and Welfare, Finland
Co-authors: Noora Berg, Finnish Institute for Health and Welfare, Finland; Taina Huurre, Department of Health and Social Welfare, City of Vantaa, Finland; Mauri Marttunen, University of Helsinki, Finland

4B INDIVIDUAL PAPERS

17:00 – 18:15

Educational Expansion in Germany and the development of income returns over the life course from 1976 to 2016
Presenter: Wolfgang Lauterbach, University of Potsdam, Germany
Co-author: Philipp Nern, University of Potsdam, Germany

Regional differences in lifetime income trajectories: The role of initial labor market size and education
Presenter: Kreske Ecker, Umeå University, Sweden
Co-authors: Olle Westerlund, Xavier de Luna, Umeå University, Sweden

Dyadic employment biographies and within-couple wealth inequality in Britain and Western Germany
Presenter: Theresa Nutz, GESIS, Leibniz Institute for the Social Sciences, Germany
Co-author: Davide Gritti, University of Trento, Italy

Individualised identity formation in a digitalising employment context: A retrospective study on the experiences of recent young graduates in transition from higher education through early career in digital economy sector in China
Presenter: Junping Cui, University College London, UK

4C INDIVIDUAL PAPERS

17:00 – 18:15

Understanding practitioners' and young people's views of a risk calculator for future psychopathology and poor functioning in young people victimised during childhood
Presenter: Rachel Latham, Kings College London, UK
Co-authors: Rachel K. Temple, The McPin Foundation, UK; Crystal Romeo, Andrea Danese, Helen L. Fisher, King's College London, UK

Social integration and support in childhood as health resource: The impact of one's individual having, loving, being on well-being and health over the life course
Presenter: Johanna Turgetto, University of Potsdam, Germany

#StateOfMind: The relationship between time spent on social networking sites, family measures and self-esteem among young people in the U.K.
Presenter: Memta Jagtiani, University College London, UK

Threat or resource? Influences of social media on partnership transitions
Presenter: Okka Zimmermann, TU Braunschweig, Germany

4D INDIVIDUAL PAPERS

17:00 – 18:15

Transitions into dependency with aging
Presenter: Alejandra Marroig, University of the Republic of Uruguay, Uruguay
Co-author: Graciela Muniz-Terrera, University of Edinburgh, UK

Does expenditure on social protection moderate the impact of lifecourse adversities on health in old age?
Presenter: Stefan Sieber, University of Geneva, Switzerland
Co-authors: Boris Cheval, Dan Orsholits, Andreas Ihle, Claudine Burton-Jeangros, University of Geneva, Switzerland; Stéphane Cullati, University of Fribourg, Switzerland

SES inequalities in all-cause and cause-specific mortality in the over 50s in Ireland: Findings from the Irish Longitudinal Study on Ageing (TILDA)
Presenter: Anne Nolan, Economic and Social Research Institute, Ireland
Co-authors: Mark Ward, Rose Anne Kenny, Trinity College Dublin, Ireland

Socioeconomic status and later-life health: Longitudinal evidence from the U.S.
Presenter: Mengling Cheng, University of Lausanne, Switzerland
Co-authors: Nicolas Sommet, Daniela Jopp, Dario Spini, University of Lausanne, Switzerland

4E INDIVIDUAL PAPERS

17:00 – 18:15

Gender divisions of domestic labour and relationship quality: Evidence from the UK Household Longitudinal Study
Presenter: Anne McMunn, University College London, UK
Co-authors: Baowen Xue, Rebecca Lacey, University College London, UK

The gender wage gap in Britain and the passage of time
Presenter: Bozena Wielgoszewska, University College London, UK
Co-authors: Alex Bryson, Heather Joshi, David Wilkinson, University College London, UK

Does ethnicity matter more than the gender of the manager for wages: Evidence from the UK Household Longitudinal Study
Presenters: Jagriti Tanwar, University College London, UK; Alita Nandi, Institute for Social and Economic Research, UK

The gender pay gap development over the life course in the nursing occupations: A cohort study
Presenter: Hans Dietrich, Institute for Employment Research, Germany

19:30 – 20:30

KEYNOTE PRESENTATION (REPEAT OF MORNING PRESENTATION)
The consequences of labour market insecurities for well-being and health of young people
Presenter: Marge Unt, Tallinn University, Estonia

DAY 2 Tuesday 21st September 2021 (Timings = London, BST)

5A SYMPOSIUM

08:00 – 09:30 **The interplay of child development and home learning environment in the first years**
Convenor & Chair: Manja Attig, Leibniz Institute for Educational Trajectories, Germany

The association of proximal relative to distal elements of social disadvantage to children's receptive and expressive language development at 2 years
Presenter: James Law, Newcastle University, UK
Co-authors: Judy Clegg, University of Sheffield, UK; Robert Rush, Independent statistician (Edinburgh), UK; Sue Roulstone, University of the West of England, UK; Tim J. Peters, University of Bristol, UK

Language-stimulation behavior and maternal education: What impacts early vocabulary at the age of two?
Presenter: Manja Attig, Leibniz Institute for Educational Trajectories, Germany
Co-authors: Anja Linberg, German Youth Institute, Germany; Sabine Weinert, University of Bamberg, Germany

The longitudinal and bidirectional relationship between parent's stress and child's negative affectivity
Presenter: Markus Vogelbacher, Leibniz Institute for Educational Trajectories, Germany

5B SYMPOSIUM

08:00 – 09:30 **How to survey second-generation-migrants longitudinally: A comparison of four European studies**
Convenor & Chair: Dario Spini, University of Lausanne, Switzerland

Parental investments in their children's education and educational success: A comparison between migrants and Swiss families
Presenter: Andrés Gomensoro, University of Bern, Switzerland
Co-authors: Marieke Heers, Fors, Switzerland; Chantal Kamm, Sandra Hupka-Brunner, Jakob Schnell, University of Bern, Switzerland

Longitudinal study on the second generation in Spain
Presenter: Rosa Aparicio, University Research Institute José Ortega y Gasset, Spain
Co-author: Alejandro Portes, Princeton University and Miami University, USA

Studying the pathways of immigrants' descendants in Germany using the SOEP
Presenter: Ingrid Tucci, Marseille University, France

Transition from school to the labor market in Switzerland: A comparative study between children of immigrants and natives
Presenter: Jean-Marie Le Goff, University of Lausanne, Switzerland
Co-authors: Nora Dasoki, Andrés Guarin, University of Lausanne, Switzerland Eduardo Guichard, Milena Chimienti, Claudio Bolzman, University of Geneva, Switzerland

5C SYMPOSIUM

08:00 – 09:30 **Longitudinal cohort study on the Filipino child: A nationally representative cohort of children tracking the sustainable development goals**
Convenor & Chair: Ben Edwards, Australian National University, Australia

Tracking anxiety levels in Filipino children before and during the pandemic
Presenter: Judith Borja, Office of Population Studies Foundation, Philippines
Co-authors: Nanette Mayol, Office of Population Studies Foundation, Philippines; Delia Belleza, University of San Carlos, Philippines

Food insecurity of Filipino children and the Covid-19 pandemic
Presenter: Francisco Largo, University of San Carlos, Philippines
Co-author: Jan Lorenzo Alegado, University of San Carlos, Philippines

Can a conditional cash transfer program protect against the impacts of natural disasters?
Presenter: Ben Edwards, Australian National University, Australia
Co-authors: Matthew Gray, Australian National University, Australia; Judith Borja, University of San Carlos, Philippines

5D SYMPOSIUM

08:00 – 09:30 **Recent developments in exploring the social-biological transitions**
Convenor & Chair: Stéphane Cullati, University of Fribourg, Switzerland

Epigenetic consequences of stress and adversity experiences. Evidence from discordant MZ twins
Presenter: Martin Diewald, University of Bielefeld, Germany
Co-author: Lena Weigel, University of Bielefeld

Early life socioeconomic position and adult systemic inflammation: The mediating role of gene regulation in two European cohort studies
Presenter: Cristian Carmeli, University of Fribourg, Switzerland
Co-authors: Zoltán Kutalik, Eleonora Porcu, Olivier Delaneau Murielle Bochud, Menno Pruijm, University of Lausanne, Switzerland; Pashupati Mishra, Mika Kähönen, Tehro Lehtimäki, Tampere University, Finland; Cyrille Delpierre, Michelle Kelly-Irving, INSERM, France; Nasser A. Dhayat, University of Bern, Switzerland; Belen Ponte, Georg Ehret, Emmanouil Dermitzakis, Nicolas Vuilleumier, University of Geneva, Switzerland; Olli T. Raitakari, University of Turku, Finland; Paolo Vineis, Marc Chadeau-Hyam Imperial College London, UK; Mika Kivimäki, Silvia Stringhini University College London, UK

Could teacher-perceived parental interest be an important factor in understanding how education relates to later physiological health? A life course approach
Presenter: Camille Joannès, University of Toulouse, France
Co-authors: Raphaële Castagné, Cyrille Delpierre, Michelle Kelly-Irving, University of Toulouse, France

Adverse employment histories and markers of metabolic, cardiovascular and immune systems: The CONSTANCES study
Presenter: Hanno Hoven, University of Düsseldorf, Germany
Co-authors: Johannes Siegrist, Morten Wahrendorf, University of Düsseldorf, Germany

Adverse childhood experiences and adult inflammation: Single adversity, cumulative risk and latent class approaches
Presenter: Rebecca Lacey, University College London, UK
Co-authors: Snehal Pinto Pereira, Leah Li, Andrea Danese, University College London, UK

5E SYMPOSIUM

08:00 – 09:30 **One question, a dozen studies: Co-ordinated analyses of health inequalities during COVID-19 from multiple UK longitudinal surveys**
Convenor & Chair: Praveetha Patalay, University College London, UK

Inequalities in health care disruptions during Covid-19 in the UK: Evidence from eleven longitudinal studies
Presenter: Jane Maddock, University College London, UK

Mental health inequalities in healthcare, economic, and housing disruption during COVID -19: An investigation in 12 population-based longitudinal studies
Presenter: Eoin McElroy, University of Leicester, UK

Smoking, vaping, drinking and the UK furlough scheme: Evidence from eight longitudinal population surveys
Presenter: Michael Green, University of Glasgow, UK

The UK furlough scheme and diet, physical activity, and sleep during the COVID-19 pandemic in the UK: evidence from eight longitudinal studies
Presenter: Bożena Wielgoszewska, University College London, UK

6A INDIVIDUAL PAPERS

10:00 – 11:15 **A life course perspective on social support and upward educational mobility**
Presenter: Nicolas Legewie, DIW Berlin, Germany

Estimating the effects of educational tracking on students' learning: Evidence from JLSCP 2015-2018 (Japan data)
Presenter: Yasufumi Yamaguchi, Teikyo University, Japan

Do socioeconomically patterned friendship relations in school matter for intergenerational income mobility? A study of a Swedish cohort born in 1953
Presenter: Klara Gurzo, Stockholm University, Sweden

How much school does VET need? How Swiss youths get selected into VET programmes with restricted schooling and what it does to their careers
Presenter: Thomas Meyer, University of Bern, Switzerland
Co-author: Stefan Sacchi, University of Bern, Switzerland

6B INDIVIDUAL PAPERS

10:00 – 11:15 **Negotiating adulthood in the 21st Century: The effects of the breakdown of the gig economy on the identities of young Australians**
Presenter: Jenny Chesters, University of Melbourne, Australia
Co-author: Hernan Cuervo, University of Melbourne, Australia

The wealth accumulation of divorcees: Why time simply cannot heal all wounds
Presenter: Nicole Kapelle, Hu Berlin, Germany

Scarring effects of unemployment on later wage development: Do general skills matter?
Presenter: Miriam Grønning, Swiss Federal Institute for Vocational Education and Training, Switzerland
Coa-uthors: Irene Kriesi, Swiss Federal Institute for Vocational Education and Training, Switzerland; Stefan Sacchi, University of Bern, Switzerland

Intergenerational earnings mobility in Mexico
Presenter: Nancy Daza, University College London, UK

6C INDIVIDUAL PAPERS

10:00 – 11:15

Longitudinal impacts of bushfires on children and adolescents and caregivers
Presenter: Ben Edwards, Australian National University, Australia
Co-authors: Matthew Taylor, Matthew Gray, Australian National University, Australia

Subjective wellbeing of adults with and without siblings in three post-communist countries
Presenter: Helmut Warmenhoven, Beijing Normal University-Hong Kong Baptist University United International College, China

Poverty, family relationships and children's SWB
Presenter: Larissa Pople, University of Essex, UK

The long shadow of youth: Girls' transition to adulthood and later life subjective well-being in the English Longitudinal Study of Ageing
Presenter: Baowen Xue, University College London, UK
Co-authors: Penny Tinkler, University of Manchester, UK; Anne McMunn, University College London, UK

6D INDIVIDUAL PAPERS

10:00 – 11:15

Predictors of suicidal escalation in Australian adolescents using the Longitudinal Study of Australian Children cohort
Presenter: Galina Daraganova, Australian Institute of Family Studies, Australia
Co-author: Sonia Terhaag, Australian Institute of Family Studies, Australia

Socio-emotional wellbeing of adolescents in the social media revolution: Findings from Growing Up in Ireland
Presenter: Rebecca McClintock, Economic and Social Research Institute, Ireland
Co-author: Aisling Murray, Economic and Social Research Institute, Ireland

Socio-economic family background and adult children's health in Germany: The role of intergenerational transmission of education
Presenter: Katharina Loter, University of Halle, Germany
Co-author: Oliver Arránz Becker, Martin Luther University Halle-Wittenberg, Germany

What (if anything) is going on? Social media use and mental health among young people: Teasing out associations using longitudinal data from the UK Millennium Cohort Study
Presenter: Yvonne Kelly, University College London, UK
Co-authors: Baowen Xue, Rebecca Lacey, Praveetha Patalay, George B. Ploubidis, Amanda Sacker, University College London, UK; Cara Booker, University of Essex, UK

6E INDIVIDUAL PAPERS

10:00 – 11:15

Cumulative advantages and disadvantages across the life course in Japan
Presenter: Hiroshi Ishida, University of Tokyo, Japan

Ethnic inequalities and the Muslim penalty: Labour market dynamics of ethno-religious groups in Britain
Presenter: Samir Sweida-Metwally, University of Bristol, UK

Family disadvantage and socio-emotional adjustment: A cross-cohort comparison in the UK
Presenter: Gabriella Melis, University of Liverpool, UK
Co-author: Ingrid Schoon, UCL Institute of Education, UK

The role of social change agent at the doorstep of museums in Latvia: Global pressure and local hesitation to open the door for social inclusion
Presenter: Elina Vikmane, Latvian Museum of Contemporary Art, Latvia
Co-author: Anda Lake, Vice Rector at Latvian Academy of Culture, Latvia

11:45 – 12:45 **KEYNOTE PRESENTATION**

Did we really come a long way? Identity development trajectories in societies in transition
Presenter: Oana Negru-Subtirica, Babeș-Bolyai University, Romania

7A INDIVIDUAL PAPERS

14:00 – 15:15 **Lifecourses, microsystems and school shootings**
Presenter: Anne Nassauer, Freie University Berlin, Germany

Diminishing returns to psychological resources in the attainment process? A study of educational plans across generations
Presenter: Arnaldo Mont 'Alvao, Iowa State University, USA
Co-author: Jeylan T. Mortimer, University of Minnesota, USA

(Are there) differences in career paths of male and female PhD holders (?)
Presenter: Kolja Briedis, DZHW, Germany
Co-authors: Fine Cordua, Hendrik Schirmer, German Center for Higher Education and Science Studies, Germany

Heterogeneity in the association between youth unemployment and mental health later in life: A quantile regression analysis of longitudinal data from English schoolchildren
Presenter: Liam Wright, University College London, UK

7B INDIVIDUAL PAPERS

14:00 – 15:15 **Parental influence on young adults' career expectations: Insecure before the occupational career has even started?**
Presenter: Frederike Esche, University of Hamburg, Germany
Co-author: Petra Boehnke, University of Hamburg, Germany

Longer-term effects of fixed-term employment in early careers on subjective well-being in Germany: A sequence analysis based approach
Presenter: Sonja Scheuring, University of Bamberg, Germany
Co-author: Michael Gebel, University of Bamberg, Germany

For academically at-risk young adults, is working better than schooling or disconnecting? It all depends on the job-aspiration fit
Presenter: Eliane Thouin, University of Montreal, Canada
Co-authors: Véronique Dupéré, University of Montreal, Canada; Anne-Sophie Denault, Laval University, Canada

Does apprenticeship prevent or postpone NEET?
Presenter: Christian Brzinsky-Fay, WZB Berlin, Germany
Co-author: Heike Solga, Berlin Social Science Center (WZB), Germany

7C INDIVIDUAL PAPERS

14:00 – 15:15 **Family support and youth transitions to adulthood: Interdependencies and the role of young people**
Presenter: Diana Carvalho, Institute of Cancer Research, UK

Life course change in value congruence between parents and adult children across five decades
Presenter: Merril Silverstein, Syracuse University, USA
Co-author: Wencheng Zhang, Syracuse University, USA

Teenage parenthood pathways in times of uncertainty
Presenter: Sara Kalucza, Umeå University, Sweden
Co-author: Karina Nilsson, Umeå University, Sweden

Family environment in early years and antisocial behaviour in adolescence: Evidence from the Millennium Cohort Study
Presenter: Aase Villadsen, University College London, UK
Co-authors: Praveetha Patalay, Emla Fitzsimons, University College London, UK

7D INDIVIDUAL PAPERS

14:00 – 15:15

Social engagement and loneliness are differentially associated with neuro-immune markers in older age: Time-varying associations from the English Longitudinal Study of Ageing
Presenter: Emma Walker, University College London, UK
Co-authors: Daisy Fancourt, George Ploubidis, University College London, UK

Profiles of depressive symptoms and the associating patterns with social participation and IADL among older people in Japan
Presenter: Noriko Cable, University College London, UK
Co-authors: Jun Aida, Tohoku University, Japan; Ayako Hiyoshi, Orebro University, Sweden; Kaori Honjo, Osaka Medical University, Japan; Shinsuke Koike, Tokyo University, Japan; Katsunori Kondo, Chiba University, Japan

Childhood cognitive ability and the use of long-term care in later life
Presenter: Matthew Iveson, University of Edinburgh, UK
Co-authors: Drew Altschul, University of Edinburgh, UK; Ian J. Deary, University of Edinburgh, UK

Does the risk of poor mental health rise before widowhood?
Presenter: Zhiqiang Feng, University of Edinburgh, UK
Co-authors: Chris Dibben, Dawn Everington, Lee Williamson, Gillian Raab, University of Edinburgh, UK

7E INDIVIDUAL PAPERS

14:00 – 15:15

Gender differences in the long and medium run effects of separation and divorce on children: Evidence from Uruguay
Presenter: Andrea Vigorito, Institute of Economics, Uruguay
Co-author: Marisa Bucheli Facultad de Ciencias Sociales Universidad de la Republica, Uruguay

Gender (in)equality and fertility decisions: Transformation of gender roles in Lithuania?
Presenter: Dovile Galdauskaitė, Vilnius University, Lithuania

Breaking with traditions? How family structure shapes adolescents' gender ideologies in the UK
Presenter: Ludovica Gambaro, University of Tübingen, Germany
Co-authors: Pia Schober, Marie-Fleur Philipp, University of Tübingen, Germany

Unequal from the start? Social inequality, gender, home learning activities and cognitive outcomes from early to middle childhood in Ireland
Presenter: Aisling Murray, Economic and Social Research Institute, Ireland
Co-authors: Frances McGinnity, Helen Russell, Emer Smyth, Economic and Social Research Institute, Ireland; Patricia McMullin, University of Turku, Finland

8A TBC

8B INDIVIDUAL PAPERS

15:45 – 17:00

Identifying work and family trajectories: A systematic review
Presenter: Vendula Machu, University Medical Center Groningen, Netherlands
Co-authors: Iris Arends, Karin Veldman, Ute Bültmann, University of Groningen, Netherlands

The influence of work-family trajectories on life satisfaction of retired women
Presenter: Elisa Tambellini, University of Bologna, Italy

Life course analysis of intragenerational and intergenerational labour mobility: Occupational upgrading and precarious employment of highly skilled workers
Presenter: Philippe Blanchard, University of Warwick, UK
Co-authors: Ruby Toh, Singapore University of Social Sciences, Singapore; Tanja Schmidt, Institut für empirische Sozial- und Wirtschaftsforschung Berlin, Germany; Julie Falcon, Swiss Office for National Statistics, Switzerland; James P. Sampson Jr, Florida State University, USA

How occupational mobility into leadership positions shapes individuals' risk preferences
Presenter: Dominik Becker, Federal Institute for Vocational Education and Training, Germany
Co-author: Caroline Wehner, Federal Institute for Vocational Education and Training, Germany

8C INDIVIDUAL PAPERS

15:45 – 17:00

Fast food restaurants and childhood obesity: Evidence from the MCS
Presenter: Nicolas Libuy, University College London, UK
Co-authors: George B. Ploubidis, Emla Fitzsimons, David Church, UCL Institute of Education, UK

Parental migration status and child's use of healthcare services
Presenter: Gretta Mohan, Economic and Social Research Institute, Ireland

Early-life cognitive and sociodemographic factors and recovery from stroke
Presenter: Drew Altschul, University of Edinburgh, UK
Co-authors: Matthew Iveson, Ian Deary, University of Edinburgh, UK

First time mothers' psychological distress and perceived relationship quality during the transition to motherhood
Presenter: Krisztina Kopcsó, Hungarian Demographic Research Institute, Hungary
Co-author: Zsuzsanna Veroszta, Hungarian Demographic Research Institute, Hungary

8D INDIVIDUAL PAPERS

15:45 – 17:00

Perceived discrimination and mental health from early adulthood to mid-life: Evidence from the Longitudinal Youth Development Study
Presenter: Xiaowen Han, Minnesota Population Center, USA
Co-authors: Jeylan Mortimer, Tom VanHeuvelen, University of Minnesota, USA

Selection and causation effects between parenthood and mental well-being: A prospective analysis from age 16 to 52 years
Presenter: Jenna Grundström, Finnish Institute for Health and Welfare, Finland
Co-authors: Olli Kiviruusu, Noora Berg, Finnish Institute for Health and Welfare, Finland; Hanna Konttinen, University of Helsinki, Finland

Childhood cognitive ability and the risk of mental ill-health in later life
Presenter: Matthew Iveson, University of Edinburgh, UK
Co-authors: Drew Altschul, Andrew McIntosh, Ian J. Deary, University of Edinburgh, UK

Multiple social roles in early adulthood and later mental health in different labour market contexts
Presenter: Miriam Engels, Heinrich-Heine-University, Germany
Co-authors: Morten Wahrendorf, Christian Deindl, Heinrich-Heine-University Düsseldorf, Germany

8E INDIVIDUAL PAPERS

15:45 – 17:00

Patterns of ethnic inequalities at the transition to higher education in Germany: An empirical analysis of primary and secondary effects and educational aspirations of migrant and non-migrant youths
Presenter: Swetlana Sudheimer, DZHW, Germany
Co-author: Sandra Buchholz, Leibniz University Hanover, Germany

The relevance of tracking for educational inequalities: Macroanalyses on reading skills based on international school performance studies
Presenter: Thorsten Schneider, University of Leipzig, Germany
Co-author: Melanie Olczyk, University of Leipzig, Germany

Modelling the Mediating Role of Early Parental Reading in the Relationship Between Social Inequality? At Birth and Later Language Skills in the Millennium Cohort Study Using Marginal Structural Models
Presenter: James Law, Newcastle University, UK
Co-author: Robert Rush, Independent Statistician, UK; Helen Wareham, Newcastle University, UK

Differences in adult health of East and West Germans: A longitudinal cohort perspective
Presenter: Katharina Loter, Martin-Luther-University Halle-Wittenberg, Germany
Co-author: Oliver Arránz Becker, Martin Luther University Halle-Wittenberg, Germany

17:15 – 18:00 **SLLS ANNUAL GENERAL MEETING**

19:15 – 20:30 **EARLY CAREER RESEARCHERS: SOCIAL EVENT**

20:30 – 21:30 **KEYNOTE PRESENTATION (REPEAT OF MORNING TALK)**

Did we really come a long way? Identity development trajectories in societies in transition
Presenter: Oana Negru-Subtirica, Babeș-Bolyai University, Romania

DAY 3 Wednesday 22nd September 2021 (Timings = London, BST)

9A SYMPOSIUM

08:00 – 09:30 **10 years of Understanding Society: Showcasing data and interdisciplinary research**
Convenor & Chair: Meena Kumari, University of Essex, UK

Understanding Society: A resource for interdisciplinary longitudinal and lifecourse researchers
Presenter: Michaela Benzeval, Institute for Social and Economic Research, UK

Epigenetic biomarkers of smoking status and histories improve with longitudinal data and vary by age, sex and passive smoking
Presenter: Alexandria Andrayas, Institute for Social and Economic Research, UK
Co-authors: Meena Kumari, Melissa Smart, Institute for Social and Economic Research, UK; Leonard Schalkwyk, University of Essex, UK

Technology use and adolescent wellbeing: Cause, effect, mediator, what's the tea?
Presenter: Cara Booker, Institute for Social and Economic Research, UK

Collecting biomarker data in social surveys: An experiment to examine mode of collection in Understanding Society
Presenter: Meena Kumari, Institute for Social and Economic Research, UK
Co-authors: Melissa Smart, Shavanthi Rajatileka, Alexandria Andrayas, Tom Crossley, Paul Fisher, Tarek Al Baghal, Michaela Benzeval, Institute for Social and Economic Research, UK

9B SYMPOSIUM

08:00 – 09:30 **The impact of macro level policy and political changes on the design, implementation, and outcomes of longitudinal studies: Exemplars from Growing Up in New Zealand**
Convenor & Chair: Susan Morton, University of Auckland, New Zealand

Mind the gap - unequal from the start: Addressing health inequalities utilising evidence from Growing Up in New Zealand
Presenter: Susan Morton, University of Auckland, New Zealand
Co-authors: Polly Atatoa Carr, Kuldeep Rajay, University of Waikato, New Zealand

Akamou te tira: Advances in data sovereignty, and the challenges for longitudinal study design: Evidence from Growing Up in New Zealand
Presenter: Polly Atatoa Carr, University of Waikato, New Zealand
Co-authors: Susan Morton, Jacinta Fa'alili-Fidow, University of Auckland, New Zealand

He ara ki nga rautaki e ora tonu ai te reo Maori: Longitudinal evidence designed to support retention and revitalisation of indigenous language policy in Aotearoa/New Zealand
Presenter: Polly Atatoa Carr, University of Waikato, New Zealand
Co-authors: Te Kani Kingi, Elaine Reese, Sara Berry, Hannah Simmonds, Susan Morton, University of Auckland, New Zealand

Multi-morbidity measures in a child cohort: Implications for improving child wellbeing and delivery of health services
Presenter: TBC
Co-authors: Susan Morton, Jin Russell, University of Auckland, New Zealand

Discussant: Polly Atatoa Carr, University of Waikato, New Zealand

9C SYMPOSIUM

08:00 – 09:30 **Refugee resilience and integration: Mental health support, developmental timing and social influences**
Convenor & Chair: Ben Edwards, Australian National University, Australia

Addressing the mental health treatment gap using phone: Delivered therapy with Syrian refugee children in Lebanon
Presenter: Fiona S. McEwen, Queen Mary University of London, UK
Co-authors: Cassandra Popham, Patricia Moghames, Nicolas Chehade, Tania Bosqui, Hania El Khatib, Laura Murray, Stephanie Skavenski, Paul Bolton, Roland Weierstall-Pust, Kristin Hadfield, Karen Pluess, Claudinei Biazoli, Dahlia Saab, Georges Karam, Elie Karam, Michael Pluess, Queen Mary University of London, UK

Age at arrival and integration outcomes of refugee youth and emerging adults: A longitudinal study
Presenter: Cho Wong, Australian National University, Australia
Co-author: Ben Edwards, Australian National University, Australia

Cultural discrimination and behavioural polarization
Presenter: Hans Dietrich, Institute for Employment Research (IAB), Germany

9D SYMPOSIUM

08:00 – 09:30 **New developments in sequence analysis**
Convenor & Chair: Matthias Studer, University of Geneva, Switzerland

Combining propensity score matching and sequence analysis for time-varying events: A study of changes in professional and educational trajectories pre- and post- first childbirth
Presenter: Sara Kalucza, Umeå University, Sweden
Co-author: Matthias Studer, University of Geneva, Switzerland

Sequence analysis of turning points
Presenter: Philippe Blanchard, University of Warwick, UK
Co-authors: Ruby Toh, Singapore University of Social Sciences, Singapore; Julie Falcon, Swiss Office for National Statistics, Switzerland; James P. Sampson Jr, Florida State University, USA

Validation of sequence analysis typologies to be used in regressions
Presenter: Matthias Studer, University of Geneva, Switzerland

From sequences to variables: Rethinking the relationship of sequences and outcomes
Presenter: Satu Helske, University of Turku, Finland
Co-authors: Jouni Helske, University of Jyväskylä, Finland; Guilherme Chihaya, Umeå University, Finland

Setting costs for multichannel analysis
Presenter: Gilbert Ritschard, University of Geneva, Switzerland

10A INDIVIDUAL PAPERS

10:00 – 11:15

Building community resilience to extreme events
Presenter: Tony Robertson, University of Stirling, UK
Co-authors: Paul Docherty, Sandra Engstrom, Fiona Millar, University of Stirling, UK

Spacing critical events and life satisfaction
Presenter: Chiara Comolli, University of Lausanne, Switzerland
Co-authors: Laura Bernardi, Marieke Voorspostel, University of Lausanne, Switzerland

The social psychological processes of stratification: Examining the role of the behavioral dimension of agency in status attainment
Presenter: Hye Won Kwon, University of Turku, Finland
Co-author: Jani Erola, University of Turku, Finland

Work and fertility in Taiwan: Do employment careers affect fertility trajectories?
Presenter: Chen-Hao Hsu, University of Bamberg, Germany

10B INDIVIDUAL PAPERS

10:00 – 11:15

Intergenerational origins of quality family relationships and support during the 2020 COVID-19 lockdowns in Australia
Presenter: Ebony Biden, Deakin University, Australia
Co-authors: Christopher J. Greenwood, Elizabeth A. Spry, Jacqui A. Macdonald, Craig A. Olsson, Deakin University, Australia; Primrose Letcher, University of Melbourne, Australia

Carrying the burden into the pandemic: How social disparities impact parents perception of their supporting abilities of elementary students and emotional demands during the first COVID-19 lockdown
Presenter: Markus Vogelbacher, Leibniz Institute for Educational Trajectories, Germany
Co-author: Manja Attig, Leibniz Institute for Educational Trajectories, Germany

The assessment of being worker and single mother during the COVID-19 period
Presenter: Nergis Dama, Ankara Yildirim Beyazit University, Turkey

The mental health implications of COVID-19 for adolescents: Follow-up of a four-wave longitudinal study during the pandemic
Presenter: Kalee De France, Concordia University, Canada
Co-authors: Gregory Hancock, Dale Stack, Lisa Serbin, Tom Hollenstein, Concordia University, Canada

10C INDIVIDUAL PAPERS

10:00 – 11:15 **Socio-emotional wellbeing and school social mix**
Presenter: Emer Smyth, Economic and Social Research Institute, Ireland

Does family socioeconomic status matter for how poor mental health is related to school achievement in youth?
Presenter: Evelina Landstedt, Karlstad University, Sweden
Co-authors: Cristian Bortes, Mattias Strandh, Umeå University, Sweden

Towards a pan-European longitudinal survey measuring child and youth well-being
Presenter: Gary Pollock, Manchester Metropolitan University, UK
Co-authors: Jessica Ozan, Aleksandra Szymczyk, Haridhan Goswami, Manchester Metropolitan University, UK

Adult affective symptoms and cognitive function: The role of cardiometabolic risk factors
Presenter: Darya Gaysina, University of Sussex, UK
Co-authors: Amber John, Roopal Desai, Marcus Richards, Joshua Stott, University College London, UK

10D INDIVIDUAL PAPERS

10:00 – 11:15 **Estimating measurement errors in a longitudinal mixed-mode survey: A multi-trait multi-error approach**
Presenter: Joseph Sakshaug, IAB, Germany
Co-author: Alexandru Cernat, University of Manchester, UK

Assessing and enabling cohort studies in policymaking for early years: Multiple case studies in Scotland, Ireland and South Korea
Presenter: Youngmin Seo, University College London, UK

A measurement evaluation of a six item measure of quality of life (CASP6) across different modes of data collection in the 1958 National Child Development Survey (NCDS) age 55 years
Presenter: Richard Wiggins, University College London, UK
Co-authors: Matthew Brown, George Ploubidis, University College London, UK

Presentation TBC

13:30 – 15:00 **POSTER SESSION**

Effects of shared reading at home and socio-economic status on children's development: A nationwide, longitudinal study
Presenter: Chien-Ju Chang, National Taiwan Normal University, Taiwan
Co-authors: Hsi-Ping Nieh, National Taiwan Normal University, Taiwan

Multi-level analysis of cognitive status on activities of daily living in the Chinese oldest-old
Presenter: Dong Hui-ling, Weifang Medical University, China
Co-authors: Wu Bing-yi, Weifang Medical University, China

A new perspective on family demography: Changing compositions and individual positions in multigenerational families
Presenter: Bettina Hünteler, University of Cologne, Germany

Is there a relationship between family structure and social networking sites (SNS) use on the self-esteem of children in the UK over time?
Presenter: Memta Jagtiani, University College London, UK
Co-authors: Nicola Shelton, Yvonne Kelly, Shaun Scholes, University College London, UK

The impact of parenting on young children's self-regulation in Chinese culture: Findings from a large-scale nationally representative Taiwanese sample
Presenter: Chia-Hui Lin, National Taiwan Normal University, Taiwan
Co-authors: Shinmin Wang, Li-Tuan Chou, Ching-Ling Cheng, Chien-Ju Chang, National Taiwan Normal University, Taiwan; Miao-Ju Tu, Fu Jen University, Taiwan

Change of significant others for social support and depression among elderly Japanese people
Presenter: Tomoo Nakata, Hokusei Gakuen University, Japan

The effect of childhood poverty on adolescent self-harm: Mediating effects of mental health and social factors in adolescence
Presenter: Joonas Pitkänen, University of Helsinki, Finland
Co-authors: Maarten J. Bijlsma, Max Planck Institute for Demographic Research, Germany; Hanna Remes, Mikko Aaltonen, Pekka Martikainen, University of Helsinki, Finland

Change of personal values of young people in the context of generations
Presenter: Laima Ruibytė, Mykolas Romeris, Lithuania

Meaning in life and risk of cognitive impairment: A 9-year prospective study in 14 countries
Presenter: Angelina Sutin, Florida State University College of Medicine, USA
Co-authors: Martina Luchetti, Antonio Terracciano, Florida State University College of Medicine; Yannick Stephan, University of Montpellier, France

Personality traits associations with informant-rated cognition in a 10-year prospective study
Presenter: Antonio Terracciano, Florida State University College of Medicine, USA
Co-authors: Yannick Stephan, University of Montpellier, France; Angelina Sutin, Florida State University College of Medicine, USA

How robust is the long-term association between youth unemployment and mental wellbeing later in life?
Presenter: Liam Wright, University College London, UK
Co-authors: Jenny Head, Stephen Jivraj, University College London, UK

Psychological resilience of Chinese elderly and its association with frailty and cognitive functioning
Presenter: Nan Zhang, University of Manchester, UK

Roots of poverty, poverty at the root: Relationship between material hardship in adulthood and older age with war and postwar childhood and youth
Presenter: Dnuta Zyczynska-Ciolek, Polish Academy of Sciences, Poland

11A INDIVIDUAL PAPERS

16:00 – 17:30 **Life course socio-economic position and individual social mobility on the future risk of breast cancer**
Presenter: Eloise Berger, University of Toulouse, France
Co-authors: Noële Maitre, Francesca Mancini, Marie-Christine Boutron-Ruault, Gianluca Severi, Raphaële Castagné, Cyrille Delpierre, INSERM, France; Vittorio Krogh, Istituto Nazionale dei Tumori, Milan, Italy; Salvatore Panico, University of Naples Federico II, Italy; Carlotta Sacerdote - Unit of Cancer Epidemiology, Città della Salute e della Scienza University-Hospital, Italy; Rosario Tumino, Provicial Health Authority (ASP) Ragusa, Italy; Paolo Vineis, Imperial College London, UK

Social participation over the lifecourse and physical activity in middle life: Longitudinal associations using the 1970 British Birth Cohort
Presenter: Stella Tsoli, University College London, UK
Co-authors: Alice Sullivan, Daisy Fancourt, Mark Hamer, George Ploubidis, University College London, UK; Ichiro Kawachi, Harvard T.H. Chan School of Public Health, Boston, USA

Health and cognitive development from childhood to adulthood of children being born during the post-reunification economic crises in East Germany
Presenter: Lara Bister, University of Groningen, Netherlands
Co-authors: Lara Bister, Tobias Vogt, Fanny Janssen, University of Groningen, Netherlands

Impact of the non-assistance to childcare centers because of Covid-19 on early childhood development
Presenter: Alejandra Abufhele, University of Chile, Chile
Co-authors: Pamela Soto, Integra, Chile; Sergio Urzúa, Maryland University, USA

11B PANEL SESSION

16:00 – 17:30 **Why do researchers want to study the genetics of social factors and what are the policy implications of this work?**
Convenors & Chairs: Michelle Kelly-Irving, INSERM, France and Tim Morris, University of Bristol, UK

11C SYMPOSIUM

16:00 – 17:30 **The social and economic consequences of health**
Convenor & Chair: Sam Parsons, UCL Institute of Education, UK

Do parental and childhood mental and physical health in early life influence behaviour adjustment in mid-childhood? Evidence from the 1970 and 2000 birth cohorts
Presenter: Alice Sullivan, UCL Institute of Education, UK
Co-authors: Samantha Parsons, Emla Fitzsimons, George Ploubidis, UCL Institute of Education, UK

Do parental and childhood mental and physical health in early life influence academic attainment at age 16? Evidence from the 1970 and 2000 birth cohorts
Presenter: Samantha Parsons, UCL Institute of Education, UK
Co-authors: Alice Sullivan, Emla Fitzsimons, George Ploubidis, UCL Institute of Education, UK

Mental health trajectories over the life course and permanent income: Findings from two British birth cohort studies - evidence from the 1958 and 1970 birth cohorts
Presenter: Vanessa Moulton, UCL Institute of Education, UK
Co-authors: David Bann, Alex Bryson, Gabriella Conti, Emla Fitzsimons, Bilal Nasim, Sam Parsons, Alice Sullivan, George Ploubidis, UCL Institute of Education, UK

Factors across life associated with early and premature natural menopause: Evidence from the 1970 British Cohort Study Evidence from the 1970 cohort
Presenter: Darina Peycheva, UCL Institute of Education, UK
Co-author: Alice Sullivan, UCL Institute of Education, UK

Discussant: Representative from The Health Foundation, UK

11D SYMPOSIUM

16:00 – 17:30 **Understanding change from the inside: Longitudinal qualitative approaches to the study of identity over time**
Convenor & Chair: JD Carpentieri, University College London, UK

I am as well as I can be, managing multimorbid conditions across the lifespan: An examination of longitudinal free text comments from Australian women aged 18-98 years
Presenter: Deborah Loxton, University of Newcastle, Australia
Co-authors: Amy Anderson, Emma Byrnes, Isabelle Barnes, University of Newcastle, Australia

(Im)possible selves: Gendered trajectories and the limits of social change in Ethiopia
Presenter: Gina Crivello, University of Oxford, UK
Co-author: Agazi Tiumelissan, Young Lives Ethiopia, Ethiopia

Imagining a future self: The value of asking about the future in longitudinal studies
Presenter: Jane Elliott, University of Exeter, UK

Secondary education and social change: Recomposing individual lives from British cohort data
Presenter: Chris Jeppesen, University of Cambridge, UK
Co-author: Laura Carter, University of Cambridge, UK

Studying identity and agency over time: Exploring the benefits of adding a qualitative longitudinal approach to the UK birth cohort studies
Presenter: JD Carpentieri, University College London, UK

18:30 – 19:30 **KEYNOTE PRESENTATION**
Life course principles of agency, linked lives and time and place: Insights from the Longitudinal Three-Generation Youth Development Study
Presenter: Jeylan Mortimer, University of Minnesota, USA

19:30 - **END OF CONFERENCE THANKS**
Dario Spini, President - SLLS

****

SLLS WORKING GROUP MEETINGS: ONLINE VIA ZOOM

Friday 24th September 2021

SLLS Refugees Across the Lifecourse Group Meeting
Chair: Ben Edwards, Australian National University, Australia
09:00 – 10:00 (UK)

Longitudinal and Life Course Studies Journal - Editorial Board Meeting
Chair: TBC
14:00 – 15:00 (UK)

Early Career Group Meeting
Chairs: Stella Tsoli, University College London, UK & Gergö Baranyi, University of Edinburgh, UK
16:00 – 17:00 (UK)

Monday 27th September 2021

SLLS Policy Group Meeting
Chair: Susan Morton, University of Auckland, New Zealand
08:00 – 09:00 (UK)

SLLS Interdisciplinary Health Research Group Meeting
Chair: Morten Wahrendorf, University of Duesseldorf, Germany
13:00 – 14:00 (UK)

SLLS Cohort Network Meeting
Chair: Lisa Calderwood, University College London, UK
15:00 – 16:00 (UK)

POST-CONFERENCE WORKSHOPS: ONLINE VIA ZOOM

Thursday 30th September 2021

Half Day
13:30 – 17:00 (UK time)
Transitions from education to employment (TREE) longitudinal survey
Convenors: Andrés Gomensoro, Dominique Krebs-Oesch, University of Bern, Switzerland

Friday 1st October 2021

Full Day
09:00 – 17:00 (UK time)
Longitudinal studies in low and middle income countries: International showcase
Convenors: Lisa Calderwood, Rebecca Hardy, University College London, UK
